

Dear Colleagues,

We are very pleased to present the scientific programme of the third **WORLD IFOS MASTER COURSE ON HEARING REHABILITATION** to be held in Dubai on March 28-30, 2019.

This course addresses the requirements of the IFOS global missions: to promote the specialty all around the world reflecting the practice diversity.

The course has been made possible mostly with the collaboration of the GCC and the French ENT Association (SFORL).

We really hope that many of you will join us in Dubai.
